# Lumio™

# LIGHT UP. learning

|  | **Lumio** | **Pear Deck** | **Nearpod** |
|---|---|---|---|
| Price | **Starts at $59 USD** per educator annually. | Individual Premium subscriptions cost $149 USD per educator annually. | Starts at $159 USD and goes as high as $397 per educator annually. |
| Free-form group workspaces | Educators can turn **ANY lesson page into a free-form workspace** for groups or the whole class. Teachers can track all contributions. | <u>Does not</u> offer any shared workspaces for free-form student collaboration | <u>Does not</u> offer any shared workspaces for free-form student collaboration. |
| Individual contributions in digital handouts | Students can contribute to digital handouts with ink, text, shapes and lines, web and video links, and safe-searched online images. | Students can contribute to handouts by responding to a question (with text, multiple choice, or number), using ink to draw, or dragging an item on a page, depending on the activity type. | Students are <u>limited</u> in the ways that they can interact with content or respond to polling questions depending on the activity type. |
| Game-based activities | Educators can **customize 12 different game-based activities**, including favorites like Monster Quiz and Match 'Em Up! | <u>Does not</u> offer game-based activities. | With <u>only 3 options</u>, educators can create quick activities with Time to Climb, Matching Pairs, and Draw It. |

## WHAT IS *LUMIO*?

Lumio is a web-based learning platform that offers more ways to effortlessly make learning fun and engaging on student devices.

### INCREASED IMPACT FROM STUDENT DEVICES

Encourage student participation through interactive content on their devices with tools like instant brainstorming, collaborative workspaces, and game-based activities.

### INSTRUCTIONAL CONSISTENCY AND EFFICIENT WORKFLOWS

Administrators can securely manage shared resources for the whole school or district to help strengthen instructional consistency across grade levels, subjects, and more.

### SIMPLE AND SMOOTH DEPLOYMENTS

Seamlessly works with the tools teachers and schools have already invested in and use. Automatically and securely provision teachers using lists from Google, Microsoft, or ClassLink through OneRoster platforms.

### AMPLIFIES BEST TEACHING PRACTICES

Designed to support proven strategies to increase student engagement and collaboration, provide insight into learning, and make learning more accessible.
