Interactivity you can trust at a price you'll love

The SMART Board® GX series is the well-equipped, affordable option backed by SMART quality. Easy-to-use essential teaching tools, including SMART Ink desktop software and SMART Notebook, make it a solid investment for your classroom.

Minimum fuss, maximum peace of mind

Engineered to meet the demands of the modern classroom and backed by SMART quality, this display is built to offer an intuitive user experience and easy maintenance.

Interactive tools teachers love

Enrich each lesson from day one with an easy-to-use whiteboard and essential teaching tools. With SMART Ink desktop software, teachers can write directly into programs and files without freezing the screen, for more fluid instruction.

Backed by SMART warranty

With the GX series' SMART Warranty, coverage starts from the minute the display is shipped, so you can focus on what matters most and leave the rest to us.

SMART®

Learning software teachers love

Included with all SMART interactive displays

SMART Ink

Superior digital ink that behaves how you expect —and doesn't interfere with your teaching. Only SMART Ink desktop software lets you write and navigate at the same time without frustrating overlays, with ink that stays in where you put it until you come back to it. It really is as easy as putting pen to paper.

- ✓ No overlays—write and navigate at the same time
- ✓ Intelligent activation—just pick up a pen and write
- ✓ Write, move, resize, and use ink-to-text in any application
- ✓ Save your work with multiple capture options

SMART Notebook

Developed through decades of education expertise, SMART Notebook offers teachers an easy way to build lessons they can deliver on their interactive displays to encourage active learning. SMART Notebook enables hands-on learning in a digital environment no matter what you're teaching, increasing student engagement and knowledge retention.

- ✓ Packed with interactive teaching tools for any grade and subject level—math, sciences, humanities and more
- ✓ Tools to help focus student attention like spotlight, screen shade and Magic Pen with disappearing ink
- ✓ Simple and intuitive design for Mac and Windows
- ✓ Seamless integration with SMART Ink to extend your teaching tools anywhere you need them
- ✓ Thousands of free, ready-made and searchable lesson resources on SMART Exchange
